

To whom it may concern:

I am appalled at Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. This is a clear abuse of media ownership, and I'm hoping you can change this situation immediately.

Like other broadcasters, Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. I hope that you can rectify this immediate situation, and the long term problem as well. Thank you.
